The Flavor of Suffolk

Suffolk U. beat
Running from Archer to Sawyer
Donahue to NESAD,
And catching a train back to Ridgeway
Quick Stop at Derne Street Café,
Sipping coffee at the State House courtyard
Before the clock strikes mid-afternoon

No task easy,
Clicking sounds of success
On keyboards at computer labs
Planning summer trips to Madrid, Prague, Dakar

Our VENTURE
Our STEPS
Our S.O.U.L.S.
United as one we challenge,
Change the world
We strive for academic success
To bless the world
With our knowledge in excess

Together we made a hundred years
Of learning a blast
Suffolk's embrace,
Welcomes every face
All sweetly distinct flavors
Of meshing cultures

As one community, one heartbeat
We blend in this urban setting

Suffolk U. awaken the poet in me

President's Message

Congratulations to the Class of 2006, and may the best wishes of Suffolk University accompany you as you blaze new trails in your life's journey. Like the explorers and pioneers of old, you may set out with some apprehension, but that only sparks the energy you need to tackle the next challenge. Whether you are beginning a career or pursuing an advanced degree, we at Suffolk believe you have been equipped with the knowledge and self-confidence that will lead to success. We are proud of your diligence and determination in pursuit of your studies and know you will put your hard-earned wisdom to good use in our world.

As you have grown and changed, so has the University. In three successive years the University set records for numbers of incoming students. We opened a second residence hall on Somerset Street, and we expanded our program offerings. Yet Suffolk's best qualities remain the same. We continue to maintain the small classes and personal attention from faculty that are our hallmark. Each administrator, faculty member, and staff person cares about students, and, as a community, we all care about promoting a society in which every individual has a chance to succeed.

Each graduating class at Suffolk University is special to the faculty, staff, and administers who have guided its members as they've grown in intellect and wisdom. Yet the Class of 2006 also has historic importance. You are the final graduating class of Suffolk's first century, and therefore you will be the freshest alumni as we gather for our Centennial Celebration in September 2006. We look forward to seeing you again throughout the year. While commencement certainly marks a new beginning, it does not mean you have to let go of customary haunts and treasured friendships. Throughout the Centennial and in years to come, we hope you will stay in touch with Suffolk University.

You are about to become one of more than 37,000 active university alumni who are leaders in business, education, law, public service, the sciences, and the arts. We proudly look forward to seeing new leaders arise from among your class. But remember, an accomplished person is not only one who succeeds professionally, but also one who enjoys and attends to family, friendship and community.

By remaining part of the Suffolk family, you will join a group that cares about students and their success. You may already recognize the benefits of the University's network if you've worked with alumni mentors or interned with a Suffolk graduate. You may be able to return the favor one day, or you may choose to contribute to future Suffolk students through gifts of time, talent, counsel, and financial resources.

You, the Class of 2006, have been an outstanding group of students, and we look forward to your continued support as we pursue our mission of educating successful and conscientious citizens of the world.

SGA President's Message

To the Graduates of the Class of 2006,

Four years, eight semesters, two cultural diversity courses, a handful of guest speakers, and several World Championship parades later, can you believe our college careers are really over?

Do not fret. Not only will the memories and friendships forged over the last four years remain with us in our next stage of life, but also I am confident that the Suffolk community has helped us to acquire the skills and tools necessary to be extraordinarily successful and happy in whatever comes next.

It has been one of the greatest experiences of my life, meeting and becoming close with so many of you. Going forward, I wish you all that you wish for yourself, and I eagerly anticipate seeing you again soon at an alumni event, reunion, restaurant, office, or other location at which our paths may cross.

Thank you.

Sincerely,

Allan B. Motenko
President, Suffolk University Student Government Association

Student Activities Fair

Clubs, Organizations, departments and novelties could all be found in the Student Activities Center during this year's Student Activities Fair. Due to poor weather, the annual fair was held indoors and included cotton candy, refreshments, games, novelties, caricature artists and a wide variety of music provided by Suffolk Free Radio.

Clubs and Organizations had the opportunity to show off their membership as well as organize games and exhibits for the Suffolk Community. The event was co-sponsored by Program Council and the Office of Student Activities & Service Learning.

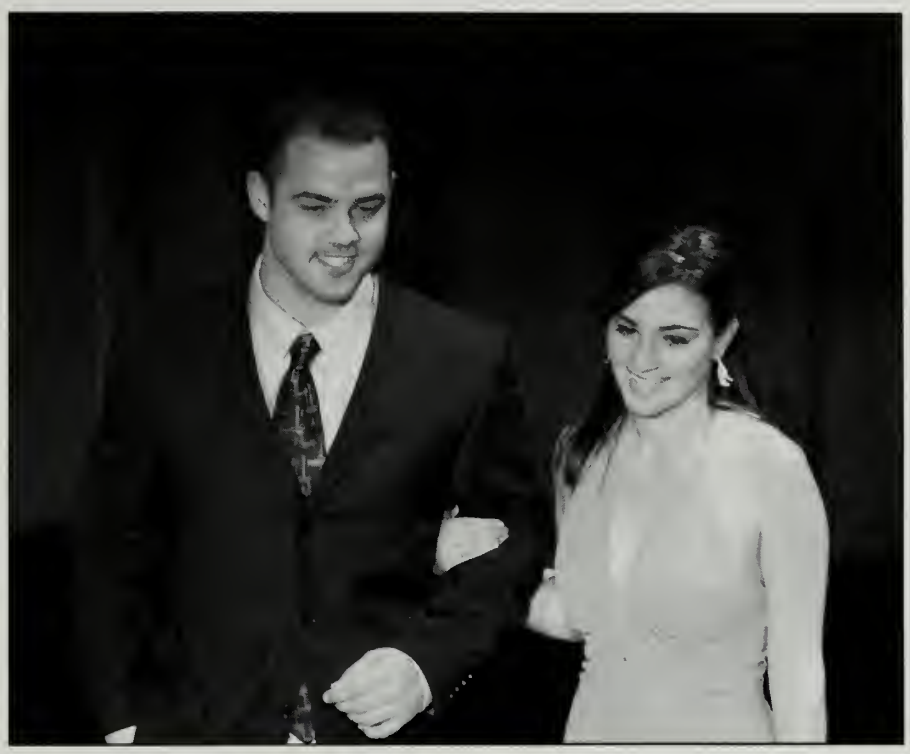
Breast Cancer Walk

Once again members of the Suffolk community gathered together for the annual Breast Cancer Awarness Walk on October 14, 2005. The walk included faculty, staff and students from all areas of the University gathering together for a common cause. The short walk began at the Donahue Building on Temple Street and progressed to the steps of the State House where Vice President and Treasurer Francis X. Flannery addressed the crowd.

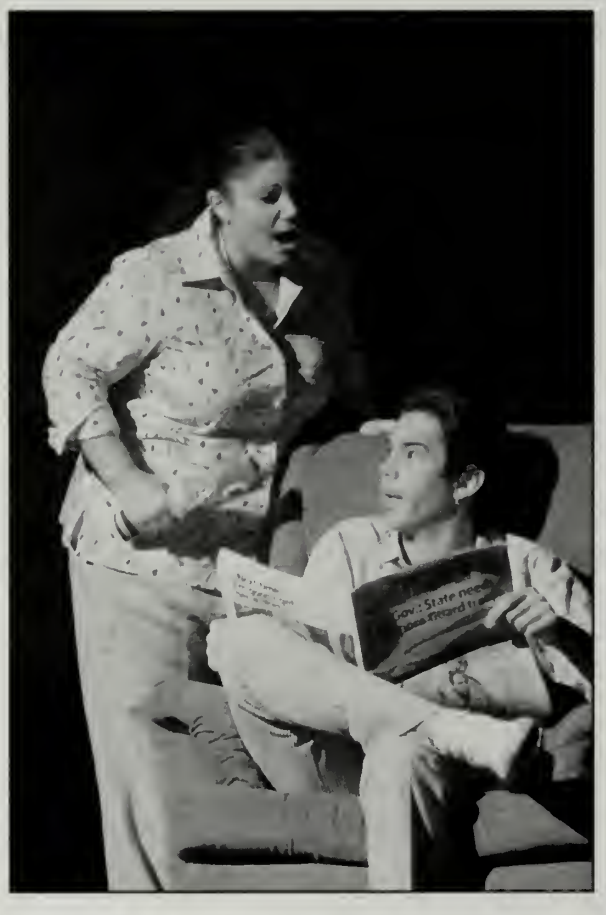
Faculty, staff and students carried white and pink balloons during the walk, each balloon signifying a woman diagnosed with Breast Cancer. Participants released the balloons into the air together creating a sea of pink and white with the Boston skyline as a backdrop.

Nuestra Cultura

Members of the Suffolk University Hispanic Association outdid themselves again this year with their annual Nuestra Cultura (Our Night). This evening was the culminating event for Hispanic Heritage Month, celebrating various Hispanic cultures through traditional and modern elements such as dance, music, poetry and song. The night consists of a showcase, a reception with cuisine from various Hispanic countries and dancing the night away, salsa lessons were inluded!



Fall Fest



Family Weekend just wouldn't be the same if Fall Fest, Suffolk's annual variety show, wasn't around to kick things off. For thirty-one years Fall Fest has brought students and families together for a night of catchy musical numbers, and superb performances, put on by the University's very own students and groups.

The unofficial Suffolk Tour was 2005's Fall Fest theme, and it featured a behind the scenes look at what makes Suffolk University tick. Ensemble acts such as "Lullaby of Suffolk" and "Gotta Get a Gimmick" took well known Broadway pieces, threw in some dancing, and reworked the lyrics that give them a Suffolk twist. Individual acts included the acoustic guitar piece "Black and Blue" by John Baycroft, a performance of J.S. Bach's "Prelude in C# Minor" by Dana Lauro, and many others. Groups such as the Jazz Band and Hispanic Association also got in on the night's happenings with performances of their own. This year's Fall Fest was a great success and a fantastic evening; everyone went home humming a tune from any one of the night's acts.

Family Weekend

Suffolk's 11th annual Family Weekend allowed students and their family members to "Celebrate the Spirit of Suffolk" from October 14-16, 2005. The weekend was a huge success, with almost 175 families participating. Over 600 people took part in at least one of the activities that was offered. Families enjoyed Fall Fest '05: The Unofficial Suffolk Tour, which is Suffolk's annual variety show held in the C. Walsh Theatre, sponsered by the Performing Arts Office. Fall Fest highlighted impressive student talent, and portions mocked some of SU's favorite personalities and myths. Along those lines, Fall Fest was followed by a football pep rally themed reception in the Donahue Cafe, mocking Suffolk's still undefeated (and non-existent) football team! Other highlights of the weekend included a harbor cruise on the Spirit of Boston and Duck Tours of the city.

While portions of the weekend were rainy, several families were still brave enough to join representatives from our History Department for walking tours of the historic areas that surround our university. Many families enjoyed a break from the rain during A Taste of Boston, a luncheon with samplings from a variety of restaurants in the greater Boston area. Other weekend events included the Theater Department's One Act Play Festival, It's All Relative: A Reception for Student Leaders and their families, and residence hall coffee breaks and breakfasts.

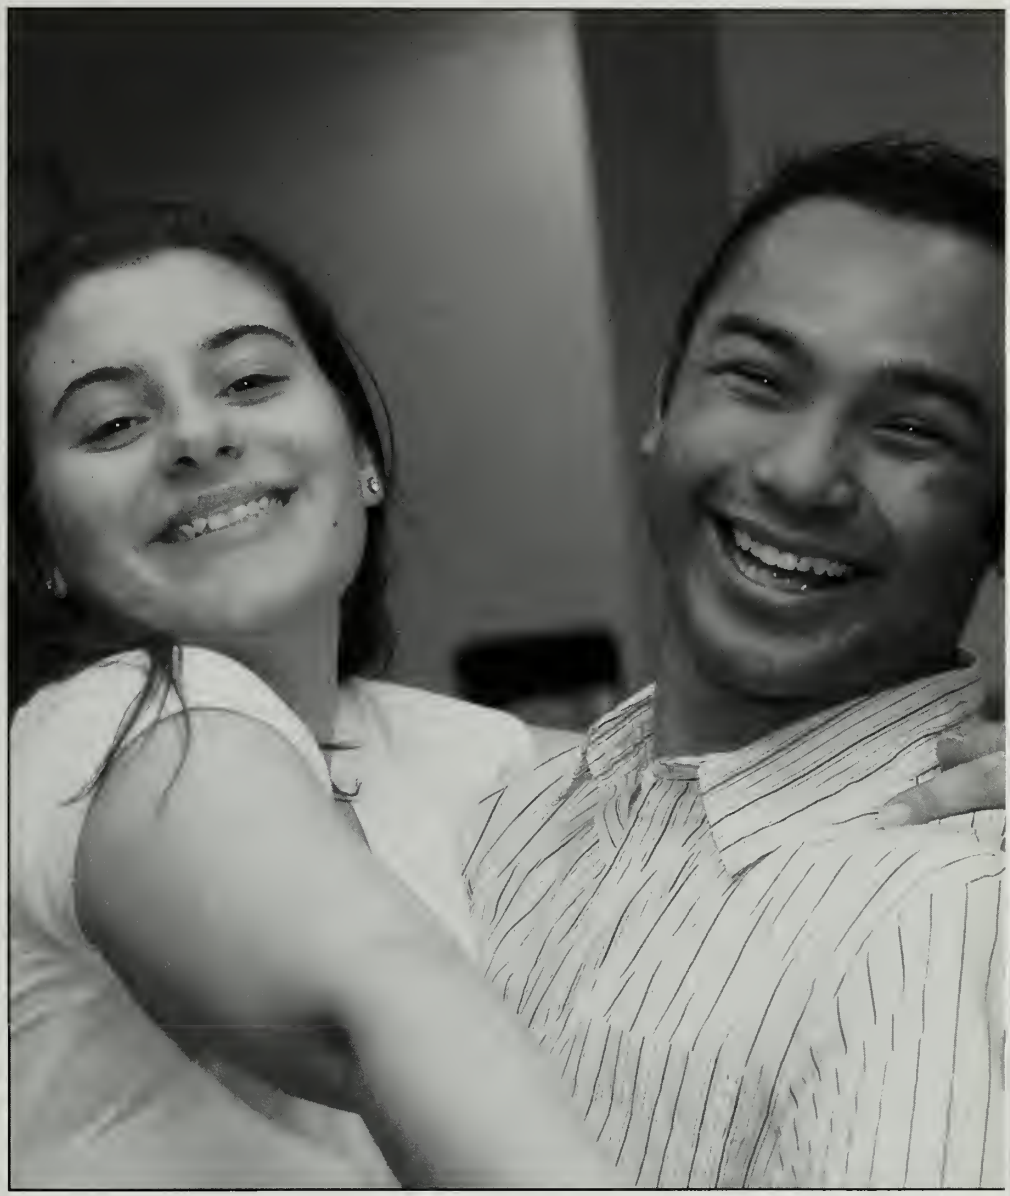
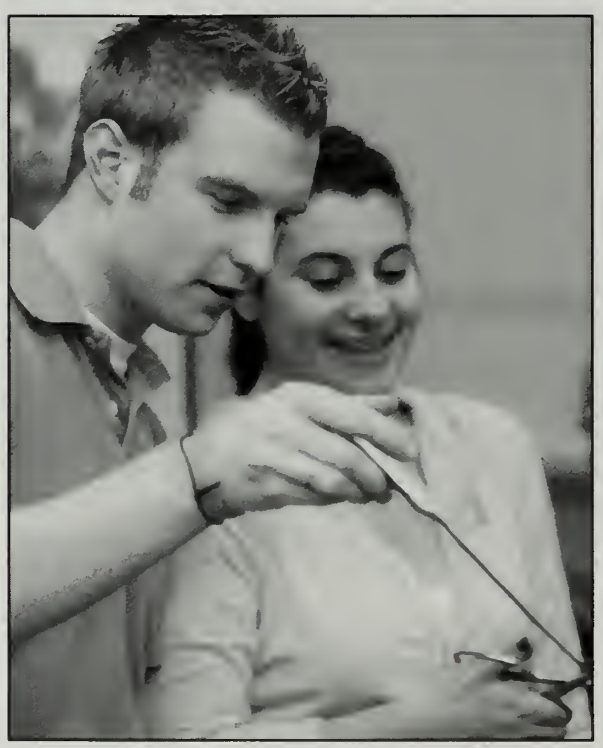
Family Weekend



CSN Thanksgiving

The Thanksgiving Luncheon is an annual event hosted by the Caribbean Student Network (CSN) and SOULS. This co-sponsored luncheon consists of a Caribbean Style Thanksgiving for the Suffolk community while honoring the Caribbean culture. This social and educational event is put together to allow students to get a "taste" of the Caribbean including food and information.

This year's luncheon hosted over one hundred faculty, staff and students, with proceeds from the $1.00 or canned good cover charge being donated to help support several worthy causes including a soup kitchen and a middle school in Hyde Park.



International Thanksgiving

This year's International Thanksgiving took place on Monday, November 21, 2005 in the Donahue Cafeteria. Sponsored once again by Program Council (PC) and the International Student Association (ISA), the evening co-sisted of welcomes speeches from several faculty, staff and students regarding history and traditions of this American holiday.

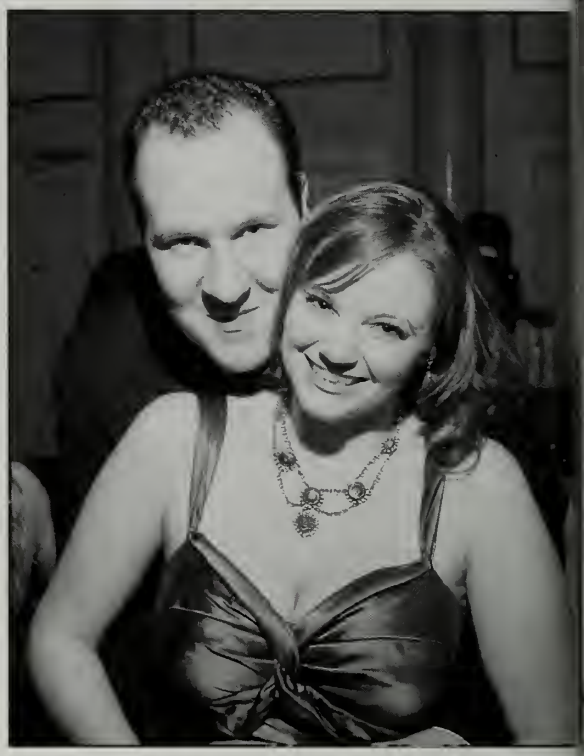
Members of PC and ISA served the traditional fixings of turkey, mashed potatoes, vegetables and gravy. Dessert was included and topped

African Diaspora

This year's African Diaspora, sponsored by the Black Student Union (BSU), showcased acts both from within the walls of Suffolk as well as from the Boston community. The evening was a celebration with entertainment, song, dance and food. The Donahue Cafeteria was tranformed into a wonderful setting where Suffolk students were treated to an evening highlighting the African culture.

BSU's annual event drew a large and lively crowd who were quickly entertained and well fed. The Step Team performance was one of the highlights of the evening, showcasing the wonderful talent of Suffolk students and getting the crowd into the night's activities.

Winter Ball



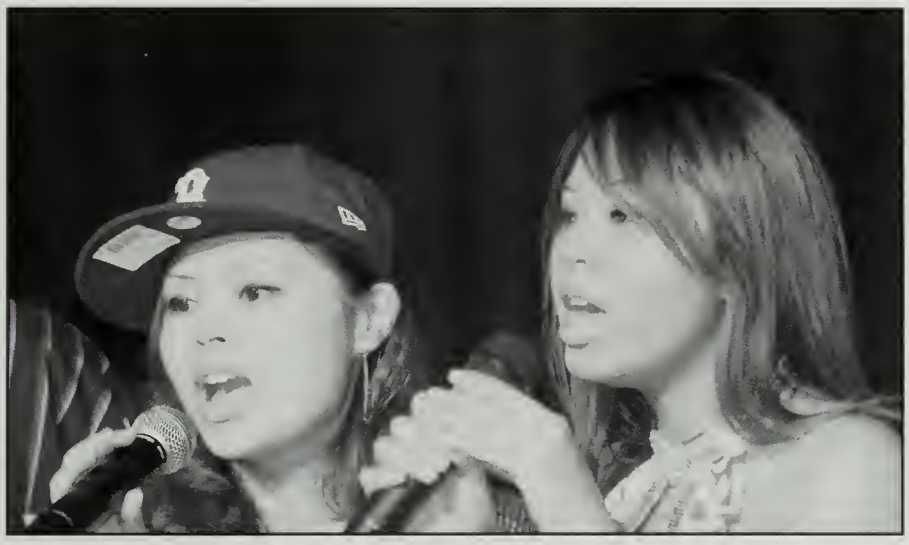
Program Council once again made the "good stuff" happen when they closed out the fall semester with their annual Winter Ball. Suffolk students and their guests were treated to an evening of dinner, music and dancing at this year's event held at the Courtyard Boston Tremont Hotel.

The evening was the perfect ending to the semester and allowed students to get dressed up, enjoy the company of their fellow classmates and dance the night away to some of the hottest new music. Program Council spent months planning this elaborate and sold-out campus event.

A Glimpse of Asia

The Asian American Association (AAA) once again put together a crowd pleasing event with their annual Glimpse of Asia show. The evening was a wonderful mix of skits, performers, comedy and also included a fashion show.

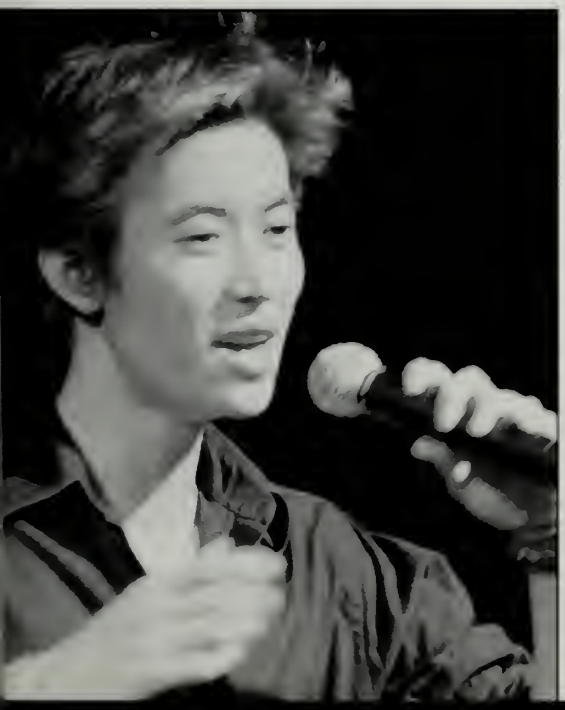
AAA continued to showcase the talents of its members while keeping the audience engaged and entertained. Emcees Simpson Say and Jameson Yee kept the show moving with their quick wit and transitions between sets.



VSA Farenheit

The Vietnamese Student Association (VSA) once again showed why they are one of the most active and model student organizations on campus. This year's Farenhiet show highlighted some of the Vietnamese culture through skits, performances, dance and a well coordinated and executed student fashion show.

Members of VSA spent the semester planning, practicing and preparing for this year's event. The energetic crowd that filled the C. Walsh Theatre enjoyed the evenings events and the closing reception held afterwards.



CSN Fashion Show

The Carribbean Student Network (CSN) put together another hot show for the Suffolk community with their annual fashion show. The evenings events included several performances and was highlighted by a well choreographed fashion show that left the audience breathless. The C. Walsh Theatre crowd was left hoping for more as the event winded down.

CSN spent a full semester preparing for all aspects of the fashion show ensuring great performances and entertainment for all. The latest fashion, dress and music were over-shadowed by only the models themselves. CSN members were excited about the overall success of the event and the energy the crowd brought to the evenings festivities.

Soul Food Luncheon

S.O.U.L.S. and the Caribbean Student Network once again collaborated on the Soul Food Luncheon held in the Student Activities Center. This annual event was held to raise awareness of the Caribbean culture as well as serve as a fund-raiser for local charities.

This year's event featured a wide variety of Soul food for the Suffolk community to dig their teeth into. Students spread-out throughout the activities center to enjoy good food, friends and conversation. Members of S.O.U.L.S. worked on the fund-raising portion of the event asking participants to bring canned food items and/or donations for local charities in and around Boston.

PC Build-A-Bear

The spring semester brought a number of new events, programs and initiatives including Program Council's extremely popular Build-a-Bear event. Held in the Student Activities Center during activities period, the event attracted a wide variety of students wanting to take part in this activity normally found at local malls.

Students packed the activities center and waited in line to pick out their bear to stuff. Each participant left the event with a fully stuffed bear, an I Love PC T-shirt and birth certificate for his or her new cuddly friend. PC once again made the good stuff happen.

Alternative Spring Break

Suffolk's Alternative Spring Break (ASB) program offers students the opportunity to engage in meaningful service for the week of Spring Break. Suffolk's first ASB trip took place to Exmore, Virginia back in 1998 and the University has been sending faculty, staff and students to different locations ever since.

This year's participants headed to Waveland, Mississippi to volunteer in communitities that were affected by hurricanes Katrina and Rita. The Suffolk 15 volunteers participated in diverse reconstruction and volunteer support activities including; debris removal, tree removal, construction, sheetrock hanging, painting, building repairs, floor installations, window installation, organizing donated items and preparing meals.

Alternative Spring Break

On Friday, March 10th twelve Suffolk students left for Local Alternative Break in Fitchburg, MA. The group was made up of both undergraduate and graduate students wanting to participate in this Habitat for Humanity program.

Participants painted and cleaned the work site helping to put the finishing touches on the house. With the help of the site leader and volunteer contractors, the students prepared the ground around the house for the stairs that were to be put in the following week. Working with the family on their new home was a fun and rewarding experience for all student who attended.

Unity Week Luncheon

Designed to highlight the diverse cultures represented at Suffolk, the Unity Week Luncheon offered just a sampling of the various foods Suffolk students enjoy and cherish in their own cultures.

This year's luncheon took place in the Student Activities Center with clubs/organizations showcasing and serving a tremendous mix of cultures and foods. Suffolk faculty, staff and students packed the activities center to enjoy both the food and sense of community available at the University. This annual event was just one of many programs planned by the Unity Week committee, a group of Suffolk faculty, staff and student volunteers committed to increasing the awareness of the wonderful diversity present at Suffolk.

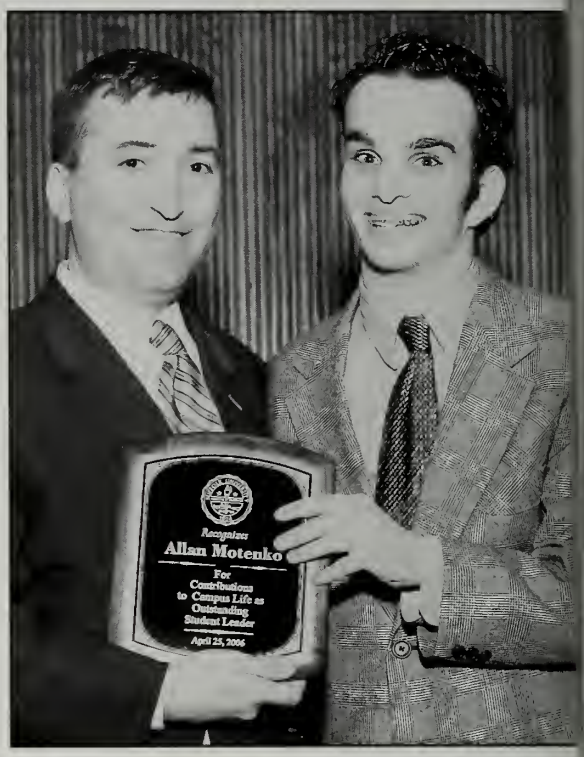
Leadership Awards



The Student Government Association's annual Leadership Awards banquet highlighted the best of the 2005-2006 academic year. The evenings festivities brought to a conclusion a year full of fantastic programs, events and collaborations. Held in the old Hancock Tower, the event was once again a great opportunity to congratulate faculty, staff and students for their hard work and dedication to the Suffolk community.

Along with the new location, this year's event also included several new components including a silent auction to benefit Suffolk Cares and a tribute and recognition to faculty and staff advisors complete with a delightful slide show.

The evening of awards also included a performance by Suffolk's own Co-ed Acapella group The Ramifications. Good food, great entertainment and the dissemination of a wide variety of awards to faculty staff and students made this a memorable evening for all in attendance.

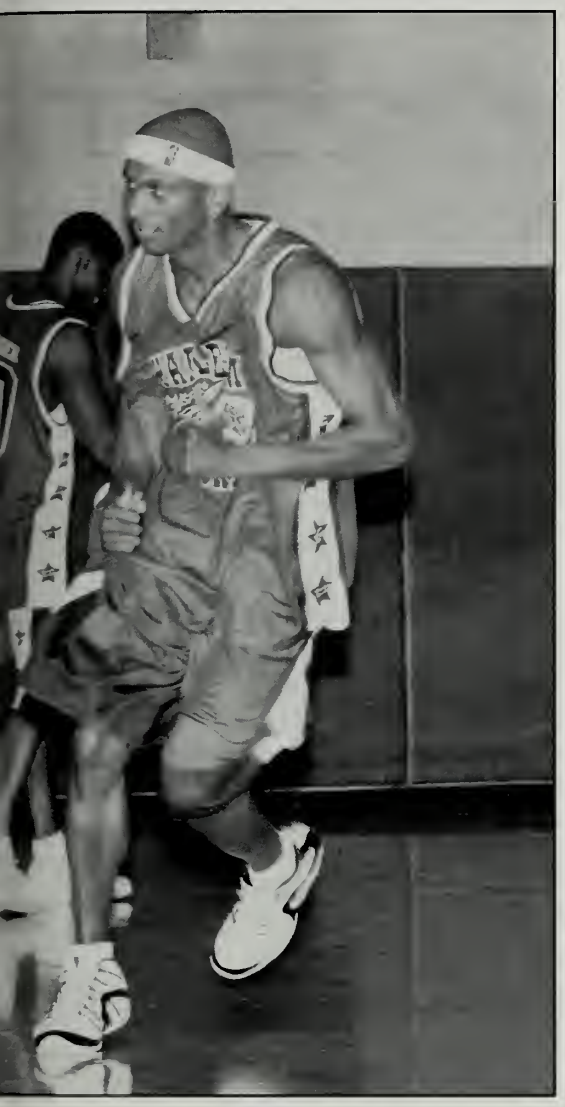
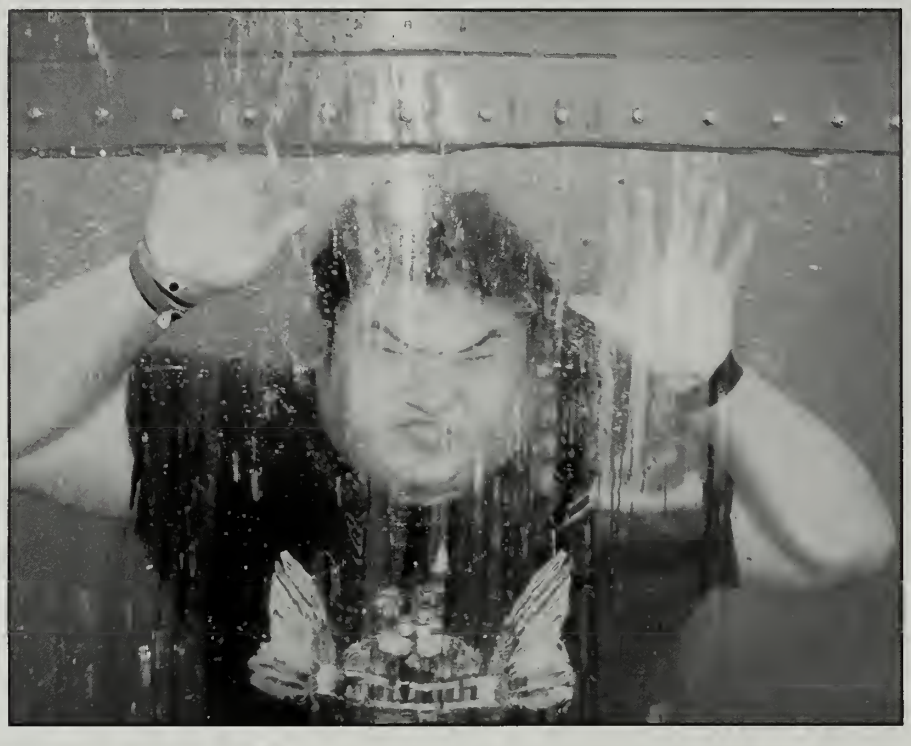
Suffolk Vs. Harlem Rockets

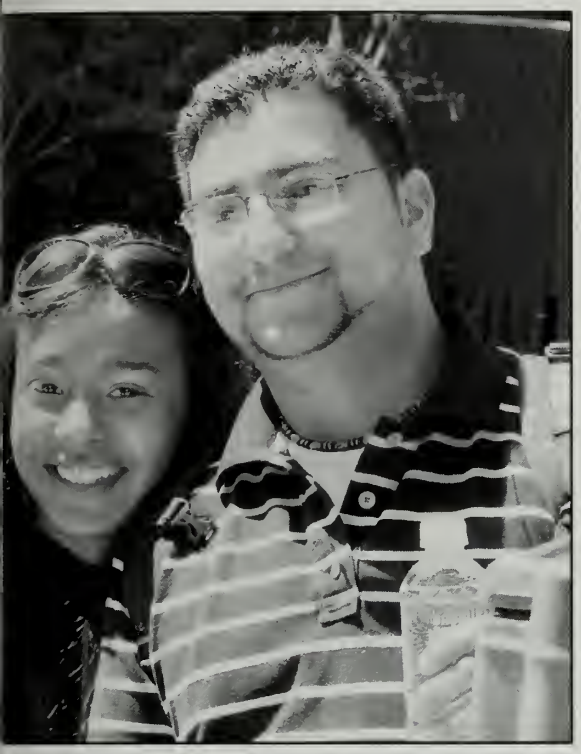


The Regan Gymnasium was full of energy in mid-April when The Harlem Rockets came to town to take on a "Suffolk Dream Team." The "Dream Team," comprised of faculty, staff and students were assembled to try to hand the Rockets the first loss of their career.

Sponsored by the Office of Student Activities, Commuter Student Association, Program Council, Student Government Association and Suffolk Free Radio, the event consisted of comedy basketball, music, community building and prizes. Although the "Dream Team" was unable to out score the Rockets, participants both on the court and in the stands were treated to a fun and unique event not before seen at Suffolk.

Temple Street Fair





Suffolk students were blessed with a bright sunny day for this year's Temple Street Fair. The Fair, an annual Suffolk event, was co-sponsored by the Office of Student Activities and Service Learning and Program Council. Clubs, organizations and departments all lined Temple Street with tables full of information, games and food. The bright sunshine and colorful displays gave the always busy Temple Street a carnival atmosphere for all to enjoy.

Highlights of the day included music provided by Suffolk Free Radio, novelty items such as caricatures, personalized signs and a bean bag toss courtesy of Program Council, ice cream sponsored by the Graduate Student Association and a BBQ style lunch. Students also had the opportunity to dunk officer Maureen "Moe" Brown" in a dunk tank in order to help raise money for cancer research.

The days events gave the Suffolk community another chance to come together and enjoy the beautiful New England weather deep in the heart of Boston while closing out another school year.

Dinner Theater

Dinner Theare is the Performing Arts Office's annual murder mystery production. Each spring guests are invited to sit back and enjoy a delicious meal served by the actors, while watching an entertaining show, and in the end, solve the mystery murder that takes place right in front of them!

This year's guests traveled back in time for an evening to the era of big hair, acid washed jeans and "Glam Rock," It was 1983! Murder at Prom '83 was set at a high school prom, where the styles were scary, but the murder that took place was even scarier!

The Suffolk community watched as the Donahue Cafeteria was transformed into one happening prom that brought the audience back to the most exciting night of any Senior's high school career.

Spring Ball

Suffolk students brought the 2005-2006 school year to an official end with Program Council's sold out Spring Ball. This year's annual event took place at the State Room and included a sit down meal, dinner, music and dancing. Program Council members spent the entire spring semester planning for the night's activities, which proved to be a wonderful experience for all.

Students of all ages and across both schools donned their best attire as they danced throughout the evening with the Boston skyline as their backdrop. Students enjoyed some of the best music from the past and the present as they put finals out of the mind and enjoyed the evening with classmates and friends.
